DESCRIPTION

2024 Ford Bronco Wildtrak

Get into our 2024 Ford Bronco Wildtrak 4 Door 4X4 with Sasquatch Package in Oxford White, and you can go where the wild things are! Powered by a TurboCharged 2.7 Litre EcoBoost V6 offering 330hp to a 10 Speed Automatic transmission for terrific off-road authority. This Four Wheel Drive SUV attacks adventures with a high-clearance HOSS 3.0 suspension, FOX internal by-pass dampers, and a severe-duty steering rack, and it scores approximately 13.8L/100km on the highway. Iconic Bronco style comes into the picture with LED lighting, a removable top and doors, a powder-coated steel front bumper, fog lamps, bash plates, a bold hood graphic, and a swingout tailgate. Our Wildtrak cabin is where the thrills start, thanks to cloth seats, a heated leather-wrapped steering wheel, dual-zone automatic climate control, remote start, keyless access/ignition, and an AC power outlet. For digital convenience...
